

# BEMC Youth Behaviour Agreement

**RESPECT others as individuals** – Give others our undivided attention, listen politely, and do not ridicule what other people say.

**RESPECT other's culture, race and background** – We are all different and we are all unique. Let's celebrate and appreciate the beauty of difference. Life would be boring if we were all the same!

**BE INCLUSIVE** – Let everyone have a turn and be fair when picking teams. Winning isn't everything. Include others in the same way you would like to be included.

**SPEAK OPENLY** – But speak kindly and speak how you would like to be spoken to.

**HAVE FUN** and be involved.

**RESPECT others' possessions** – If it's not yours, ask permission. Respect other's belongings. If permission is not given, hands off.

**USE SOCIAL MEDIA WISELY** – Use it to stay connected, but do not use it to disrespect others. Use it to contact a leader if needed, but refrain from private one on one conversation. Think before you send or post!

I, \_\_\_\_\_, agree to the following above behaviour as best as I can.

Signed,
